

SOFTWARE LICENSE AGREEMENT FOR STAFFITPRO WEB API

IMPORTANT - READ CAREFULLY: This audeoSoft GmbH ("audeoSoft") Software License Agreement ("SLA") is a legal agreement between you (an individual developer or a company of software applications) and AUDEOSOFT for the AUDEOSOFT software product accompanying this SLA, which includes computer software and may include associated source code, media, printed materials, and "on-line" or electronic documentation ("SOFTWARE PRODUCT"). By installing, copying, or otherwise using the SOFTWARE PRODUCT, you agree to be bound by the terms of this SLA. If you do not agree to the terms of this SLA, do not install, use, distribute in any manner, or replicate in any manner, any part, file or portion of the SOFTWARE PRODUCT.

The SOFTWARE PRODUCT is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. The SOFTWARE PRODUCT is licensed, not sold.

1. **RIGOROUS ENFORCEMENT OF INTELLECTUAL PROPERTY RIGHTS.** If the licensed right of use for this SOFTWARE PRODUCT is purchased by you with any intent to reverse engineer, decompile, create derivative works, and the exploitation or unauthorized transfer of, any AUDEOSOFT intellectual property and trade secrets, to include any exposed methods or source code where provided, no licensed right of use shall exist, and any products created as a result shall be judged illegal by definition of all applicable law. Any sale or resale of intellectual property or created derivatives so obtained will be prosecuted to the fullest extent of all local, federal and international law.
2. **GRANT OF LICENSE.** This SLA, if legally executed as defined herein, licenses and so grants you the following rights:
 - A. **Single Developer License.** Single Developer License allows an individual developer to use **APIs** ("Application Programming Interface") provided by SOFTWARE PRODUCT in any number of projects that he or she is working on. A Single Developer License for the SOFTWARE PRODUCT may not be shared or used by more than one individual developer. In a project that uses the SOFTWARE PRODUCT, each individual developer on the project requires a separate Single Developer License as long as they need to write code using STAFFITPRO API.
 - B. **Source Code License.** In addition to the license and rights granted above, AUDEOSOFT grants you the right to use and modify the AUDEOSOFT source code provided you licensed source code. Different from developer license, source code license is licensed to a team. Each team only needs to purchase one copy of source code license and share it among those developers who have their own Single Developer License.
 - I. AUDEOSOFT shall retain all right, title and interest in and to all updates, modifications, enhancements and derivative works, in whole or in part, of the AUDEOSOFT Source Code created by you, including all copyrights subsisting therein, to the extent such modifications, enhancements or derivative works contain copyrightable code or expression derived from the AUDEOSOFT source code; provided, however, that AUDEOSOFT grants to you a fully-paid, royalty free license, to use copy and modify such updates, modifications, enhancements and derivative works or copies thereof for use as authorized in this LICENSE.
 - II. You may not distribute the AUDEOSOFT source code, or any modified version or derivative work of the AUDEOSOFT source code, in source code form.

- III. AUDEOSOFT require all developers in your project who plan to access AUDEOSOFT source code signing on the source code license. As long as they signed, they become registered developers. An alternative to this is to let a delegate signs source code license as an organization. The delegate will be responsible for letting other developers who plan to access the source code reviewing this license agreement first before releasing them the access.
- IV. The source code contained herein and in related files is provided to the registered developer for the purposes of education and troubleshooting. Under no circumstances may any portion of the source code be distributed, disclosed or otherwise made available to any third party without the express written consent of AUDEOSOFT.
- V. Under no circumstances may the source code be used in whole or in part, as the basis for creating a product that provides the same, or substantially the same, functionality as any AUDEOSOFT products.
- VI. The registered developer acknowledges that this source code contains valuable and proprietary trade secrets of AUDEOSOFT. The registered developer agrees to expend every effort to insure its confidentiality. For example, under no circumstances may the registered developer allow to put the source code on an internal network where he or she has no control.
- VII. SOURCE CODE IS SOLD AS IS. AUDEOSOFT DOES NOT PROVIDE ANY TECHNICAL SUPPORT FOR SOURCE CODE.

- B. **Software Transfer.** You may NOT permanently or temporarily transfer ANY of your rights under this SLA to any individual or entity. Regardless of any modifications which you make and regardless of how you might compile, link, and/or package your programs, under no circumstances may the libraries, redistributables, and/or other files of the SOFTWARE PRODUCT (including any portions thereof) be used for developing programs by anyone other than you. Only you as the licensed end user have the right to use the libraries, redistributables, or other files of the SOFTWARE PRODUCT (or any portions
